

Yacht of The Year 2018 in Taiwan

DRAGON 72- DEA DEL MARE

DRAGON 72- DEA DEL MARE is one modern high speed express yacht with European style and stream-line shape based on the customization to owner's preference. The yacht is with 22 meters in length, 5.3 meters in width, and maximum speed up to 34 knots and the hull structure is designed on the DNV high speed light craft code and complies with Japanese JG regulation.

She incorporated with multi-level and delicate styling line and also wide open front windows to present the extraordinary styling. The forward deck is with luxury sofa to provide the guests enjoying the breeze and sunshine during the ride. The aft deck is with large sofa and exterior galley counter to provide guests an outside BBQ space.

Interior configured main salon , secondary salon, master stateroom, VIP guest room and galley . Once entering the salon, you can see the gorgeous black/white furniture combine with high grade comfortable sofa. There is one hi-low windows between aft deck and salon. By lowering the windows, it will increase salon space and get better ocean vision. Master stateroom gives brighter space and also has the guest to enjoy the luxury ocean view.

DRAGON 72-DEA DEL MARE is equipped with twin Volvo IPS 1200 engines, Gyro Stabilizers, Automatic Interceptors and Raymarine Navigation system. It provides owner the agile maneuverability, better seakeeping performance, and improved rolling stability at low speed and anchoring. It is a modern luxury yacht with fast speed and also comfortable ride.
