

Taiwan SNAME-Yacht of the Year 2018 Taiwan- Ocean Alexander 120'

Alexander Marine 120 Mega-yacht features a true tri-deck arrangement with on-deck master and four large staterooms on the lower deck. The 120 Tri-Level accommodates ten owner/guests with extraordinary privacy, quiet and opulence — as well as ample room and facilities for a crew of six.

Each of the five luxurious staterooms has its own distinctive guest experience, including private heads, media arrays, custom cabinetry, distinctive stonework and cedar-lined lockers.

The master stateroom is on the main deck. Its full-beam width allows for extraordinary amenities, including an oversized shower and whirlpool tub, twin heads, cedar-lined hanging lockers and a port-side private sitting area.

Another unique feature is the beach club accompanying the swim platform, allowing a luxurious space while enjoying the water. Vast amounts of storage for guests and crew as well as provisions are found throughout the vessel.
