## **YACHT OF THE YEAR 2019 in Taiwan**

### **President-115 Super Mega Yacht (Charlie Grace)**

The first FRP yacht was equipped with a three-story elevator in Taiwan. In particular, due to the inconvenience of the owner's feet, in order to meet the practical needs of the owner on the special functions of the stairs, PBI overcomes the difficulties in various mechanical functions, and specially designed to install a practical vacuum elevator, this is the first FRP yacht was equipped with a three-story elevator in Taiwan.

In addition, the enlarged indoor space is equipped with open and clear windows, and the large yacht window enhances the visual sense of brightness, space utilization and value of the same size yacht.

To meet the owner's demand for multi-purpose small boat cabins, the three integrated hydraulic remote control systems, including hydraulic system of swimming platform, transom and tender launch facility etc., this is a great advance of engineering. This is a new challenge for mega yacht and President team have completed successfully achievement and fully satisfying the requirements of customization. It demonstrates the unique competitiveness of

Taiwanese yachts, and achieves the best smooth and comfortable airworthiness in actual voyages.

The out appearance is beautiful and elegant, and the interior is elegant and noble. Those let us got admiration from the captain and the Australian owner. Under the premise of safety as the first consideration, the owner's lifelong wish is the greatest, and the dream of traveling around the world is achieved. The yacht shows the achievements of the owner's career to the world. The satisfaction of the owner is the best encouragement for our efforts, and also strives for the highest glory for Taiwanese yachts.
